Congratulations to the members of Circus Pandemonium, who performed live at the Chelona State School country music festival last Saturday. Parents and kids alike were treated to a fun display of great music and awesome skills as our circus kids once again did our school proud. This is our third appearance at the festival. Thanks go to our seasoned performers Kevin Kaya and Petr Ciesiolka (year 12), Darrian Fox (year 11) and our newest members, Justin Essam, Kourtney Dequara, Brendan Badger and Damon Lillia. I’m proud to be able to say that our kids not only performed well, but acted as worthy ambassadors to our school. We’ve been invited to perform again next year. Well done, Circus Pandemonium!

Reports from year 10 Students have been mostly positive following their week of work experience last week. Well done to parents, guardians, relatives and friends for transporting students to and from their work place. We understand it is a massive commitment. Also, a huge thank you to all employers for your time and effort in supporting our students by offering exposure to the varied industries and allowing insight in most cases the first time to life after school.

Please ensure students return their log book and employer evaluation to Mrs Grace or Mrs Post by the end of next week. Failure to do this will result in the student not completing their Cert II Work Place Practices subject.

Students will complete a second week of work experience in term 4 - 3rd – 7th November. Initial paperwork will be distributed early Term 3.

Congratulations to our netball girls who have made it in to the semi-finals. All teams have played extremely well, continuing to improve their performances. Good luck in the final series.

The girls under 15 Rugby League team has made great strides in learning about the game. They have played three solid matches so far with a few more to go to hone their skills of the game. New players are joining as they learn about the team playing in the competition. The team is led by captain Brittany Barron whose on field ability leads the team from the front with crunching tackles and bursting runs. Off field Brittany organises team jerseys and helps train and sort out positions for the players. The team consists of a group of hard working girls, some of whom have never picked up a Rugby League ball in their life but have Mirani Pride values of having a go and playing for their team mates and school. It is also great to see so many parents turning up to their games and supporting the team showing that the community at large has that Mirani Pride as well. It is a pleasure to attend the games each week with the girls and their supporters and look forward to girls sport increasing in popularity in the school.

Many of the organisers of school sport comment on the attitude and sportsmanship of our students. This is a credit to the student, the family and school community who encourage and promote these admirable qualities. Well done girls for leading the way with Valley Pride!

The boys rugby league season is drawing to an end with one more round game to be played next Wednesday at Wests. So if you are not busy next Wednesday and are either in town (Casey Ave netball courts) or in Walkerston (Wests League fields) stop by and cheer on our students.

I would like to congratulate our successful Mirani runners who recently competed at the Capricornia cross country trials. Rachel Silvestri won Capricornia age champion 13yr girls while Tyson Reed came 2nd in the open boys race. Rachel, Tyson and Magnolia Smith (who also placed in the top 10) are heading down south to compete at the State Championships. Good luck to you all. Josh Scullie is also heading to State Championships for golf. Awesome effort and congratulations.

Well done to all athletes for the spirit, effort and commitment to your sport.

Rachel Silvestri – Capricornia 13yr

Tyson Reed 2nd Open Boys Age Champion

As we head into the second half of Term 2 and begin to work towards the mid-year break, we need to keep our nose to the grindstone in junior secondary at Mirani SHS. So far the students and their teachers have done a fantastic job. Some of the recent student achievements include:

**Public Speaking:**
Chontelle Myers won her division at the Mackay district competition and travelled to Rockhampton to compete against the best in the Central Queensland region. Although Chontelle didn’t gain a place she represented Mirani SHS superbly and was the only competitor to speak for the required time during the impromptu section of the competition.

**Rotary Young Chefs:**
Mirani SHS was represented by Amy Ford, Myah Scardamaglia, Indiana Sheehy and Meg Fortescue at the recent Rotary Young Chefs competition. All girls worked extremely hard to reach this level of competition with Indiana and Meg gaining second place in the junior section.

**Junior Debating:**
Our team consisting of Scarlett Penshorn, Abbey Medway, Amy Jo Stroppiana and Keflin Peter narrowly missed a place in the grand final after a tremendous run of debating.

**Readers Cup:**
Scarlett Penshorn, Ieesha Gibson, Rylea Davis, Bridgitte Curley, Scott Bein, Michael Davey, Coby Underhill and Krystal Demaid will be busy reading like demons and representing the school at the Readers Cup competition.

Recently the school has been making an effort to ensure all students, including the junior secondary students adhere to the uniform policy. While the vast majority of the student population stick to the rules regarding jewellery, make-up, shoes and socks, there are isolated incidences of non-compliance. The understanding around this is simple. If your child is enrolled at Mirani SHS then both parent/carer and student have signed an agreement which includes following the uniform policy endorsed by the P & C. There have been some adverse comments from parents and students regarding this. The school has a population of over 800 students, this equates to over 1600 parents/carers. Currently, our P & C meetings are attended by 8 to 10 dedicated people. If people want changes made to the uniform policy they need to attend P & C meetings.

Mirani SHS undertook its Junior Secondary Peer Review last week. This process involves EQ staff from the Mackay regional office and staff from other schools visiting Mirani SHS to observe classroom and playground activities. The feedback from all involved was extremely positive with staff from the visiting school commenting on the fantastic behaviour and effort of our students. Well done Mirani!

On Tuesday 27 May, 30 of our most promising young mathematicians from years 8 to 12 spent the day at Pioneer State High School where they competed in the McDonald’s Maths Team Challenge. This annual interschool competition consists of two rounds designed to test the students’ mathematical ability, problem solving skills, and their ability to work as a team. All of the students demonstrated an outstanding attitude and competed valiantly throughout the day, with some of our teams even placing in their divisions.

Year 8s
The year 8 teams put in a fantastic effort at their first high school maths event. It was great to see students from a mixture of core classes all working together. Congratulations to Year 8 Team 2, who finished third out of nine teams!!

Juniors
The juniors were always in for a tough competition. Both of these teams consisted entirely of year 9 students, up against teams that were a mixture of year 9s and 10s. Despite this, they embraced the challenge, maintained a positive attitude and put in a 110% effort. Well done to all!

Seniors
Both of our senior teams competed strongly throughout the day. At the end of round one we held both first and second positions, tied with several other schools. However, by the end of the competition Mackay North SHS just nudged in front placing our Senior Team 2 second overall. A fantastic result!

A huge thank you must go to Mr Munchow and Miss Hage for their wonderful organisation of the teams and supervision on the day. Also, many thanks to all of the parents who helped us by giving up their time to transport the students to and from the event and supervise teams. Without your support the day would not have been possible.

Under 8’s day

On the 21st of May 2014, the year 11 and 12 Early Childhood Studies Students planned and presented Under 8’s day at the Mirani Kindy. The theme this year was “everyone can play”. The activities focused on putting theory into practice in a real life situation. The students worked with the children for the morning doing face painting, music, reading, flag making, colour mixing and hand painting. Thank you to the kindy children, families and Trish Rufus (Kindy Director) for sharing their day with us.
Rotary Young Chefs Competition

On Saturday the 31st of May 2014, students represented Mirani SHS in the Rotary Young Chefs Competition in Mackay. The junior team consisted of Amy Ford and Myah Scardamaglia (year 9), and Indiana Sheehy and Meg Fortescue (year 8), pictured below with Indiana and Meg’s main meal. The senior team being Emma Stratford and Jaimie Schusser (year 12), and Corissa Bezzina and Taylah Bezzina (year 11), pictured below with Corissa and Taylah’s main meal. It was a hard competition with only points between the teams. Congratulations to Indiana and Meg who achieved a second place in the junior competition and Corissa and Taylah who achieved a first place in the senior competition. Congratulations to the entrants and their great effort.

Indiana and Meg’s meal was 2nd place in the junior division.

Corissa and Taylah’s main meal and dessert won 1st prize in the senior competition.

The P&C of Mirani State High School has resolved that it supports a uniform (school student dress code) policy for Mirani State High School because it believes that a uniform (school student dress code) policy at Mirani State High School promotes the objectives of the Education (General Provisions) Act 2006.

In particular, the P&C supports the intention of a student dress code in providing a safe and supportive teaching and learning environment as it:

- promotes a safe and healthy environment for all students limiting the potential for injury and/or disease.
- promotes a safe environment for learning by enabling ready identification of students and non-students of the school;
- promotes an effective teaching and learning environment by eliminating the distraction of competition in dress and fashion at the school;
- fosters mutual respect among individuals at the school by minimising visible evidence of economic, class or social differences;
- promotes a supportive environment at the school by fostering a sense of belonging; and
- promotes a sense of discipline useful later on in life where workforce employment may have a uniform policy.

Students are expected to wear the correct uniform every day. This may be the formal school uniform or the sports uniform. Students must own at least one formal school uniform.

The school will negotiate access to uniforms with students or families who are otherwise unable to afford costs of uniforms. This may include the provision or temporary loan of second hand uniforms. Apart from exceptional circumstances determined by the school administration on an individual basis, students dressed out of uniform will be loaned a school uniform for the day. For health and hygiene purposes these uniforms are washed daily after use.

School staff are expected to implement and monitor compliance with the school’s uniform (school student dress code) policy. Valid reasons for being out of school uniform must be given in writing and dated and signed by a parent or guardian. Students must present this signed note to the office for a uniform pass. Students will be loaned a school uniform for the day. Non-compliance with the uniform policy alone will not incur sanctions such as exclusions, cancellation of enrolment or suspensions. However, persistent non-compliance with the school uniform policy will be taken as indicative of refusal to cooperate with the school’s code of behaviour and has consequences as part of the school’s behaviour management policy and procedures.

When a student has practical Physical Education classes, a t-shirt should be brought to school so that a change can be made before and after that particular class. This t-shirt should only be worn for the duration of the Physical Education class. Students are expected to wear school uniform for the rest of the day and to and from school.

**Black closed-in shoes** are the compulsory footwear for safety reasons (this does not include shoes with material and canvas uppers eg Dunlop Volleys, Converse, slip-ons and gym boots.) Students will not be allowed to enter workshops, kitchens, science laboratories unless correct footwear is worn. Masseurs, sandals and all canvas/cotton shoes are not part of the school uniform. They also constitute a safety risk and must NOT be worn to school.

At Mirani State High School, we rate highly how students present themselves. We expect pride to be taken in appearance.
