

MIRANI STATE HIGH SCHOOL

Special Education Program (SEP)

Book and Stationery List

General Information:

The Mirani State High School Special Education Program supports and provides learning opportunities for students with disabilities. These disabilities include Hearing Impairment, Vision Impairment, Physical Impairment, Intellectual Disability, Speech Language Impairment and Autistic Spectrum Disorder.

The SEP supports an inclusive education policy where students can be part of regular subjects with assistance from either a teacher or teacher aide, if necessary. Students are able to choose mainstream subjects from Year 8 to Year 12 and/or choose alternate subjects which have been designed to address students' individual needs in the areas of work preparation, leisure skills, relationships, social skills, communication, literacy, numeracy and community awareness.

All students' timetables are individual and designed to best meet the student's individual goals.

Supporting extracurricular activities, the staff are committed to providing opportunities outside the classroom. The SEP is involved with athletics carnival, swimming and social activities where students are able to compete, achieve and develop skills necessary for life during and after school.

SEP subjects are not in the Core Curriculum and due to their inherent nature require a high level of resourcing for students to participate in their chosen curriculum.

ALTERNATIVE SUBJECTS PROVIDED BY THE SEP

In addition to the subjects offered by the regular school, the Mirani State High School Special Education Program also offers a number of alternative subjects that students may study.

These subjects provide learning outcomes that focus on life skills, functional academics, relationships and work readiness skills. Students from all year levels may study these subjects.

	Focused Group Literacy (FLI) Junior School		Practical Living Skills/Community Access/Life Skills (PLS/CAX/LSK)
	Foundation Literacy (FOL) Senior School		Foundation Science (FOS)
	Focused Group Numeracy (FNU) Junior School		Study Skills (SSK) ***
	Foundation/Functional Group Numeracy Adv. (FON/FUN) Senior School		Foundation ART (FAR)
	Foundation Budgeting (FBU)		Foundation Technology (FOT)
	Health & Physical Education (HPP)		Music

*** Students are out of one or more subjects and access SEP for Study Skills, Literacy and/or Numeracy
