

MIRANI SHS SPECIAL EDUCATION PROGRAM

Making diverse futures brighter

SEP would like to thank Seaview and Mirani Sugar Valley Lions Clubs for their recent generous donation of \$3000 to Special Education Program (SEP) at Mirani State High School.

The donation was put towards the most exciting piece of educational equipment, an Interactive Smart Board that will greatly support our students in the development of life skills such as Literacy/Communication, Numeracy, Social Skills and Information Technology. Our students are eager to learn and are very motivated in learning as they are having fun exploring modern wonders of IT. Information Technology plays a significant part in Mirani State High School Technology Program and this contribution will make our Special Education Unit more interactive.

Again, thank you Lions Club for all you do for our students. You are a part of their lives too 😊
